National Coalition for Hospice and Palliative Care

## Improving Quality Care for Serious Illness

While the year brought many unique challenges, the National Coalition HPC successfully advocated for equitable policies and improved health outcomes for serious illness care across the lifespan.

**“Through combined efforts, the interdisciplinary partner organizations of the Coalition, are making a significant difference in the field of hospice and palliative care.**

- GINGER MARSHALL, BOARD PRESIDENT

	Projects	Details	Outcome
<b>12.5M</b> Advancing research funding for palliative care	\$12.5 million in funding for the NIH National Institute of Aging	Implement a trans-institute, multi-disease strategy to expand research	<ul style="list-style-type: none"> <li>• Consortium for palliative care research across the lifespan</li> <li>• Monumental for the science of palliative care</li> </ul>
